MEMORANDUM FOR: Headquarters, USAF
AFCIO-5, Room 4 E 1085
The Pentagon

Attention: Colonel R. A. Berg

SUBJECT : Request for Arrangements at McGuire AFB in Connection
with Movement of Detachment B Overseas, 14 thru 17 August 1956

1. Confirming our several telephone conversations on this matter, it is my understanding that you will contact by telephone appropriate officials at McGuire Air Force Base in order to establish the ground work for liaison in connection with the movement of Detachment B personnel overseas in MATS aircraft.

2. As you will recall, [redacted] members of Detachment B will be proceeding to the POB on their own under instructions to report to the Air Traffic Officer for overseas movement at McGuire AFB the night preceding their scheduled departure. These people will presumably require billeting at McGuire AFB for one night and if at all possible, we would like to obtain desk space in the Terminal Building itself so that a representative from Project Headquarters, together with [redacted] of Detachment B, can properly check in these people and furnish them with necessary passports, immunisation records, and the like. My understanding is that [redacted] will depart for overseas on the first aircraft and that another officer will be designated by the Detachment B Commander as a movement officer in [redacted] stead. The representative from Project Headquarters will, of course, require billeting at McGuire AFB for the entire period 14 thru 17 August 1956.

3. I would appreciate it if you would let me know the identity of any individual at McGuire AFB to whom our representative and/or [redacted] should report or to whom they should look to for guidance if required.
